## Always Easy

In do anything with the Equipoise Waist - it is made for comfort - it adds gracefulness to the figure - it is fashionable - it outwears a couple of corsets - Send us your address, that you may know all about it, and where to buy it. - George Frost Co., Boston.

LADIES! Can You Answer This? There a dress fitted over a waist. It you as easily as one fitted over a corset? Don't it look as graceful in form and outline, and so stylish and modest in general effect? If we had your answer we could say, "I have worn many waists, but my dress never looked as well as when fitted over a corset." But we would as soon reply it because you have never worn a GENUINE
