How to be a Canadian [by Will and Ian Ferguson]

How to be Canadian is a hilarious insider's look at the country, covering subjects as diverse as fashion, culture, sports, religion, politics and mating rituals. Sample topics include Twelve Ways to Say "I'm Sorry," Rules of the Road, The Mating Habits of Canadians, and Canadian Cuisine (and How to Avoid It). Fast and funny, loaded with wry advice and barbed commentary, this book will teach you everything you need to know about how Canadians *really* act.

With readings and comments by:
